

Keynote Descriptions

We can customize a presentation for you. Some of our most requested topics are:

- Who pops your popcorn?

Are you taking care of your prospects and customers online or is someone else?

Are you creating a strong relationship online with your customers or is someone else?

Social media tools can triple your business and generate tons of leads.

No excuses like being too old, not being at easy in front of a computer or saying the internet is just a fad!

Shahar and Nashlah can show you how easy it is and how profitable it can be.

Tools like blogs, online videos, social networks can be your biggest business ally.

Book Shahar and Nashlah to speak at your next event and you'll see that profiting when using online tools can be easy and fun like making popcorn.

- You, The media!- How you can take care of your PR in an easy and effective way

- How to Grow Your Business Online- Don't wait anymore, put your business on the radar.
- Using Social Media to Generate Leads.
- Getting the Customer to Take Action.

- Cool ways to promote a business

- Consumer trends

- Branding and Positioning

- How to start a Business Online

Speaker fees often vary based upon length of presentation, location of event and other factors. Typically, travel and expenses are additional costs above speaker fees. Please call or email to be quoted an exact fee for your event as well as the expense requirements of speakers of interest.
